Hi Kristin,

As an update, I got my passport and visa today and am set to go on Sunday (weather permitting!). Everything always works out. OK, maybe not always, but almost always, and certainly more times than not.

Thanks Kristin,

I'm really starting to sweat now with the snow and all. I'm sure it will all work out...

Hello Peter.

Yes. You will need to renew your passport before requesting a Schengen visa. Please find below the website and instructions for renewing your official passport. Thanks.

To renew an official passport, please download the Passport Renewal application (DS-82) from the following website and complete/print-out on **single sided pages**. Please submit the application to Pamela Rhones-Younger along with one recent passport size photo, your official passport, and on a separate sheet of paper, a detailed description of your purpose of travel and your GS grade.

Hi Pamela,

I am set to travel to Lyon France on March 1<sup>st</sup> of this year. My passport expires on May 15. Do I need to get it renewed before my trip?

Thanks,

Peter

Hmm, good question. Contact Pamela Rhones-Younger in the passport office – 202-564-6631 – and ask her. Some countries require passports to be good for more than a few months, so she'll know.

Peter: There's a notice in Concur that your US passport expires 5/15/2015. You should probably start on the renewal process now – it is taking quite some time to get these renewed.
